

## EXECUTIVE ORDER 13397 - CHURCH AS GOVERNMENTAL AGENCY

The separation of church and state - gone with the stroke of a pen. As of March 7, 2006, our nation's leader signed another Executive Order, which tied the Department of Homeland Security to our leader's "faith-based" churches. Okay, all you non-profit churches out there, you now serve the federal government's primary spying agency. That is now your primary function. You are now and officially an organized den of thieves.

I would feel sorry for the pastors, ministers, priests, and rabbis except for the fact that I just can't and won't. How stupid and positively corrupt can you possibly be to take money in exchange for manipulating your flocks of idiot sheep to the national slaughter? And will you also spy on your flocks and provide reports to your new master?

In exchange for money, have you agreed to pacify and organize your flocks in the event of a national emergency? You certainly have, for you have been ordered to do so. And have you been ordered to offer your buildings, your resources, and your labor forces called congregations to serve your newly declared administrator?

I try to come up with words to describe how I feel about this Executive Order and the churches that have "partnered" themselves to this system. The words don't come minus the fact that the church has completely and irreversibly fallen to the lowest and darkest common denominator, which is the total betrayal of the souls of the faithful. I would pray for your forgiveness, but I don't want to.

Nor do I want to write about this sickening topic. But, I appeal to Christian people to 1) ask your church leaders if they are "faith-based" funded, and 2) to leave those churches and start home-based churches with your friends and family members. Do not support Executive Ordered, Department of Homeland Security churches with your presence or your money. You are being manipulated and reported upon, guaranteed.

You are being told what to do when more "crisis" hits the nation, and will hit the nation, as all is now planned down to our "weather emergencies", which are providing the training and relocation exercises for the real crisis to come, the one that permanently collapses Constitutional America.

The church needs to regroup and gather in homes, where faith is restored, private, and truth is real. Forget the church leadership. They are padding their pockets and socially re-engineering your mind with think tank religion and crisis management, and they're getting paid to do so, much like the public schools and mass media.

Raise your churches in your homes. All you need is a Bible, one will do. Save yourselves and your souls and leave your new and improved church buildings, fancy organs,

fundraisers, and colorful windows behind.

As in all Communist countries, the church will survive underground, so to speak, and with genuine prayer. And serve your Constitutional America. Don't give up on freedom, even as it dissolves before your eyes. Be courageous in truth and gather together in truth.

Again and again, I strongly recommend that you contact A.C.E., Americans for Constitutional Enforcement, at [contactus@a4ce.org](mailto:contactus@a4ce.org) - and request their Information Packet. Work to preserve your unalienable rights. There is no other choice but to fall, much like the American church. And please remember that faith-based churches are now governmental agencies, just like public schools, mass media, and mass communications, nothing more and nothing less.

A.C.E. will help you, your family, and your neighbors to learn the truth about today's America. What you don't know is allowing for the total destruction of your rights and your individual freedom. What you don't know is rapidly, rapidly destroying your country. Your continued ignorance is why we are falling. Please contact A.C.E. right now. May God bless the American people.
