

# FREE TRADE AREA OF THE AMERICAS (URGENT) STOP THE FTAA

~THE FTAA WILL ERASE AMERICAS BORDERS~

WHO IS BEHIND THE FTAA POWER GRAB? A powerful network of internationalists in government, business, academia and the media have conspired to destroy U.S. Sovereignty and merge our country into the FTAA~as an intermediate step to global merger and world government under the UN. The key organizations leading this betrayal are the Council on Foreign Relations (CFR), Council of the Americas (COA) the world Bank, the IMF and the United Nations.

QUOTES FROM FORMER SECRETARY OF STATE,  
COLIN POWELL, CFR MEMBER: 'Our common border is no longer a line that divides U.S., but a region that unites our nations, reflecting our common aspirations, values, and cultures.'

DAVID ROCKEFELLER, FORMER CHAIRMAN OF THE CFR and COA, referring to NAFTA, the precursor to the FTAA, "Everything is in place~after 500 years~to build a true 'New world' in the Western Hemisphere."

PRESIDENT GEORGE W. BUSH has adopted a similar outlook, claiming: "We need to have an immigration policy that helps match any willing employer with any willing employee."

NO TIME TO LOSE! ~ under the FTAA Americas borders would disappear. We must activate Congress to enforce our borders~NOW! Like Bill Clinton, President Bush favors increasing foreign worker visas, outsourcing, and amnesty for illegal aliens. Also like Clinton, Bush fervently supports the FTAA. "We're working to build a Free Trade Area of the Americas, and we're determined to complete those negotiations by February, 2005."

EUROPA~The FTAA would transform NAFTA into a supranational arrangement like the EU, where people can move from country to country without restrictions.

The United States borders would be erased , our constitution gone, the ICC would be the court of the land, the U.S. Would be merged with 33 other countries of North and South America and the Caribbean. Why open the door for more terrorists? Have we forgotten the 9-11 Attacks?

(Flood Congress with e-mails, letters , and calls. Its in your hands!)
