

SECURE OUR BORDERS

PETITION to President George W. Bush, leaders in Congress

As a concerned citizen, I am calling on the President and leaders in Congress to establish a National Plan of Action to Secure Our Borders. Illegal immigration is a national security crisis of the highest order and also poses a long-term threat to the American way of life. As first priority, America must stop the flow of illegal immigration by investing all necessary resources in securing our borders. Also, existing immigration laws must be enforced as an essential component of our Homeland Security. In addition: until illegal immigration is stopped I oppose calls for amnesty and "temporary worker" proposals; I call for aggressive deportation of illegal immigration; I oppose benefits for illegals; I call for stricter punishment of business that hire illegals; I support English first legislation.
